Snetterton Parish Council

1. Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2017; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

2. 2016/17 External auditor's report

Except for the matters reported below on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no other matters have come to our attention giving cause for concern that relevant legislative and regulatory requirements have not been met.

The RFO did not sign off Section 2 until after the AGS despite being present at the meeting. In future, the RFO should make sure they sign off Section 2 no later than the AGS.

Other matters not affecting our opinion which we draw to the attention of the smaller authority:

We were required to send back the annual return to enable the council to amend the following:

Precept was included with the council tax support grant in the other income.

In future the council should ensure the annual return is accurate and complete.

3. 2016/17 External auditor certificate

We certify that we have completed our review of the annual return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2017
